Service Animal Petiquette

We gladly respect the need for service animals to assist in travel needs with their families. We ask all guests of Tulalip Resort Casino to understand that we do NOT normally allow pets, and to kindly respect our Service Animal Pet Etiquette rules so that the privileges may be guaranteed for future guests.

- *Service animals must be on a leash or utilizing a service harness at all times when in the hotel or on the grounds. Service animals are NOT permitted in casino spaces or any of the Food & Beverage outlets.*
- *Owners must pickup and dispose of waste properly. Local regulations require waste to be double-bagged. A waste receptacle is available for this purpose to the right of the hotel main entrance and along the pedestrian trail within Quil Ceda Village.*
- *When service animals are left alone in the guest room they must be placed in a pet carrier, or the do not disturb indicator must be lit.*
- *Service animals must be on a flea prevention regimen to prevent any such spread.*
- *Accidents do happen. Please let the Front Desk know so that we can provide you with Nature's Wonder and cleaning towels. Please DO NOT use the guest room linens to clean up any accidents as additional charges will be applied to the guest account if this occurs.*
- *Pet Damage Deposit fee of $200 will be returned as long as there is no damage.*
- *Please note that we reserve the right to ask that service animals be removed from the property if barking, or inappropriate service animal behavior is a disturbance* to other guests.
