

TULALIP POKER

PRECISION QUADS

STARTS JANUARY 1, 2019

Pays for specific quads starting at \$1,000

Payouts occur 7 days a week, 24 hours a day

Precision Quads is seeded at \$1,000 for each of the 13 four-of-a-kind sets on day one \$100 is added to each of the quad ranks each day thereafter

Payout starts with Quad Aces on day 1

Only one Quad rank is active at a time.

Must have a pair in Hand.

Once Quad Aces are hit, the payout rotates in descending order down the rank of cards to each next lower rank. When Quad Deuces are hit, the payout starts over with Aces.

Precision Quads applies only to Hold'em games with a Jackpot drop.

A player that wins a Precision Quads prize and wins a high hand as well will be paid both prizes.

Bonus money for Graveyard hours:

Between 2AM and 9AM an added \$500 will be paid to prize winners.

Standard Jackpot rules apply and qualifying requirements include:

- A minimum of four (4) players
- There must be \$20 in the pot
- A minimum of \$2 Jackpot rake and \$2 House revenue rake
